Luncheon

11:15 – 1:30

At The Rancho Santa Fe Country Club

Dear Members & Guests,

What a Warm Welcome to our new home from The Rancho Santa Fe Country Club and from our Members and Guests. Thank you. We had 79 reservations!

Thank you to Pamela Croft, Marika Iler, Sandra Osborn, Doris Roper and Dr. Deena Stacer. We had stellar showcase presentations from all the members. Remember all of these ladies welcome your questions and comments. Please contact them with your inquiries.

This month we have a familiar face returning from a couple of years ago: Diane Welch, this time speaking about Lilian Rice...In the 1920s and 30s Lilian J. Rice, a National City native, was a pioneer making homes when most women were homemakers. She designed and built homes in Rancho Santa Fe and throughout the county for the some of the nation's most celebrated achievers, entertainers and movie stars, yet her story is hidden in the shadows. Diane Welch, has now brought this story to light in her newly released book, "Lilian J. Rice: Architect of Rancho Santa Fe, California". Diane will talk about Rice's design artistry, how her spirit lives on in her buildings that remain extant, and how she survived and thrived when others failed during the dark years of the Great Depression.

Please join us for networking, meeting new people and reconnecting with the ones you know. Learn something new and appreciate something known.

The new member Directories are here and I hope you picked up your copy in April - only 1 per member - and if you didn't or weren't there, please ask for a copy at this meeting. Also the secret word for May is flowers.

IMPORTANT NOTE from Betty: Ladies, I need your help with the reservations for May - it is really important that you RSVP by 11 AM on Monday, May 17th as I will be out of town on Tues.
